A Day in My School Life

To: mark@gmail.com

From: fady@gmail.com

Subject: Daily School Life in Egypt

Hi Mark,

How are you? I hope you're doing well. I want to tell you about a **typical** day at my school here in Egypt.

My day starts early. I wake up around 6:30 a.m., get dressed, and have a quick breakfast–usually bread, cheese, and fruit.

The School day begins at 7:30. We start it by standing in line, **saluting** the flag, and singing the **national anthem**. Then we go to our classrooms and begin our lessons. Our first subject is usually Arabic.

Next, we have subjects like math, English, and science. Some topics are a bit tricky, but I try my best. At around 10:15, we have a short break. I usually eat a sandwich, play with my friends, chat and laugh.

Later, we have more lessons like social studies, religion, or computer. I enjoy learning how to use the computer in class. However, my favorite subject is P.E.

The school day ends at 1:30 p.m. I usually feel a bit tired, but I'm happy after a good day. I go home, eat lunch, rest a little, and then do my homework.

That's what a school day looks like for me. What about you?

Bye for now,

Fady
